Billing & Payments

Q: What payment methods do you accept?

A: We accept major credit and debit cards (Visa, MasterCard, American Express, Discover), PayPal, and Apple Pay. We do not accept cryptocurrency, checks, or cash on delivery.

Q: Why was I charged twice or see a pending authorization?

A: A pending authorization is a temporary hold to verify your card details and usually drops off within 3 to 5 business days. If you see a duplicate completed charge, please contact support with your order number.

Q: How do I get a copy of my invoice or receipt?

A: Log in to your account, navigate to "Order History" or "Billing," and click on the specific transaction to download your receipt.

Q: Can I pay in installments?

A: Orders between $150 and $2,000 can be split into 4 interest-free payments, charged every 2 weeks. Choose "Pay in 4" at checkout.

Q: Do gift cards expire?

A: No. Gift cards never expire and have no fees. Gift cards cannot be redeemed for cash, except where required by law, and a maximum of 3 gift cards can be used on a single order.

Q: Do you price match?

A: If the price of an item you bought from us drops within 14 days of purchase, we refund the difference once per item. We do not match competitor prices, flash sales, or clearance prices.

Shipping & Orders

Q: How do I track my order?

A: Once your order ships, you will receive a confirmation email containing a tracking number and a link to follow your package's delivery status.

Q: Can I change or cancel my order after it has been placed?

A: Orders can only be modified or cancelled within 1 hour of placement. After that window, the order moves to fulfillment and must be returned after arrival.

Q: How much does shipping cost?

A: Standard shipping (5 to 7 business days) is free on orders of $49 or more and $5.99 otherwise. Express shipping (2 business days) costs $12.99. Overnight shipping costs $24.99 and must be ordered before 1:00 PM Eastern Time.

Q: Do you ship internationally?

A: We ship to the United States, Canada, the United Kingdom, Australia, and the European Union. International orders take 7 to 14 business days, and the customer pays any import duties or taxes. We do not ship to P.O. boxes outside the United States.

Q: What if my package is marked delivered but I did not receive it?

A: Wait 48 hours, since carriers sometimes mark packages delivered early, and check with neighbours. If it still has not arrived, contact support within 10 days of the delivery date and we will open a carrier investigation.
